Dear Roger:

I want to personally thank you for the time you have spent participating on the Bay-Delta Advisory Council. I have noticed that you have not attended the last three BDAC meetings. The Council's Charter states that if a member misses, without good cause, three consecutive regularly scheduled BDAC meetings, that member's membership will be terminated.

I would like to know whether your absence from the meetings means that you no longer can serve as a Council member. If you can serve, I encourage you to attend future meetings so that you participate in developing the Council's recommendation to the CALFED agencies on the proposed solution. If you cannot serve as a Council member, I will recommend to the Governor and the Secretary of Interior that they designate another representative.

Feel free to call me with any questions or comments you have about this letter or BDAC in general at (619) 236-7058. Please respond to me or to Lester Snow in writing by June 25 with your decision on whether you wish to continue as a member of the Council.

Sincerely,

Mike Madigan, Chair
Bay-Delta Advisory Council

Dear Mr. McCarty:

I want to personally thank you for the time you have spent participating on the Bay-Delta Advisory Council, since the Council's inception in June 1995. I am concerned that you have not attended the last three BDAC meetings and therefore are not participating in the Council's important discussions and the recommendations it is making to the CALFED agencies on the proposed solution.

I want to encourage you to continue participation in this important process as a BDAC member, especially as we complete Phase II of the CALFED process over the next year. However, if you are unable to continue, I will recommend to the Governor and the Secretary of Interior that they designate another representative.

Feel free to call me with any questions or comments you have about this letter or BDAC in general at (619) 236-7058. Please respond to me or to Lester Snow in writing by June 25 with your decision on whether you wish to continue as a member of the Council.
